

ATTENTION PARENTS!

Before you can volunteer with your child's class in any capacity, you must complete registration in the APIE system.

Some ways you may want to volunteer:

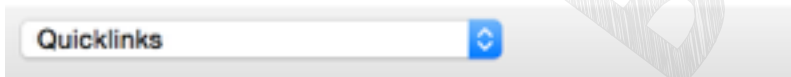

- * chaperone on field trips
- * prepare materials in the teacher workroom
- * help with daily folders in the classroom
- * read to a group of students
- * help with a class party or other special event

Please note:

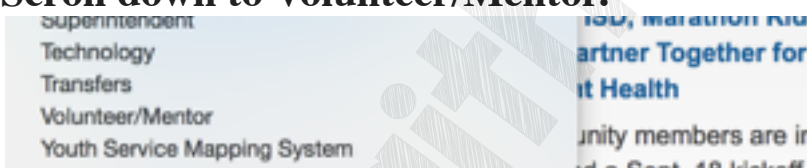

- It is necessary to register at least 3-5 days in advance of volunteering in order for the proper level of background check to be done.
- You should register separately for each type of volunteering you do as there are different levels of background checks.
- Parents who are AISD employees do not have to get a background check, but you will need to have your AISD badge with you to go on field trips or volunteer in the classroom.

HOW TO REGISTER:

1. Go to the AISD website. www.austinisd.org
2. Find Quicklinks on the lefthand side.

3. Scroll down to Volunteer/Mentor.

4. Under How To..., click on Volunteer.
